Sinai Chicago Specialties & Services

All Sinai Providers are Board Certified or Board Eligible.

Addiction (The Center for Addiction, Treatment & Recovery)

- Aftercare planning for continued recovery
- Inpatient Medical Stabilization Unit
- Opioid & Drug Alcohol Detoxification

Audiology

- Comprehensive Hearing Evaluation & Hearing Testing (Adults & Children)
- Hearing Aid Consultations (Varies Based on Payer)

Bariatric Surgery

- Comprehensive Multidisciplinary Bariatric Program
- Weight Loss Surgery (Sleeve/Lap Band)

Behavioral Health

- Adult Chronic & Acute Inpatient Unit
- Assessment and Referral for Opioid Medication Assisted Treatment (MAT Program)
- Comprehensive Bio-Psychosocial Assessment
- Crisis Stabilization Services
- Individual & Group Outpatient Therapy for Adults
- Intensive Outpatient Program (IOP)
- Medical Psychiatry Inpatient Unit
- Pioneer House (Supervised Residential Home for Adults)
- Psychiatric Assessments, Medication Management & Case Management
- Services provided in Spanish & American Sign Language
- Under The Rainbow (Adolescents & Children Outpatient Therapy)

Breast Health & Surgery

- Diagnostic Mammography, Ultrasound, MRI breast & 3-D Tomography
- Breast Pain & Breast Cancer Comprehensive Treatment
- Fibrocystic & Other Benign Breast Disease
- Breast Surgery Dosing Sentinel Node & Magseed Guided Surgery by Qualified Academic Breast Surgeon
- Stereotactic & Ultrasound Biopsy

Cancer Care Center

- Academic affiliation-ACGME Accredited Fellowship Training Program for Hematology- Oncology with Rosalind Franklin University/Chicago Medical School
- Oncology Nurse Navigator
- Chemo-Immunotherapy Infusion Center- HCH & MSH
- Clinical Trials Program
- Commission on Cancer Accredited
- Financial Navigator
- Five Hematology/Oncology Specialists MDs & Three Advanced Practice Providers
- Daily Clinic
- Genetic Risk Assessment for Cancer
- Gilda’s Club & American Cancer Society Support Services Onsite at North Campus
- Gynecologic –Oncology, Urology, Neurosurgery, Cardiothoracic Surgery
- Leukemia, Lymphoma, Multiple Myeloma & Benign Hematology
- Lung Cancer Screening with Low Dose CT
- Molecular Profiling of Cancer for Targeted Therapy
- Oncology Pharmacists in the Infusion Center
- Oncology Social Worker
- Palliative Care & Hospice
- Radiation Oncology Onsite
- Supportive Oncology Clinic
- Survivorship Care Clinic
- Weekly Tumor Board Multidisciplinary Case Discussion
-

Cardiology Services

- Electrocardiography (EKG)
- Trans-Esophageal Echocardiography (TEE)
- Cardiac Stress Testing – Dobutamine Stress Test
- Treadmill Stress & Nuclear (Thallium) Stress Test
- Cardiac Rhythm Management – Device Placement
- Cardiac Device Therapy & Monitoring
- Electrophysiology Studies (EPS)
- Holter Monitoring & Event Recorder

Diabetes & Endocrinology (The Center for Diabetes & Endocrinology)

- 24-Hour Glucose Monitoring
- Continuous Glucose Monitoring (Mobile App)
- Group Education
- Multidisciplinary Team of Providers
 - Certified Diabetic Educator
 - Clinical Pharmacists
 - Community Health Workers
 - Dieticians
 - Physicians
- Non-Dilated Retinal Exams
- Nutritional Counseling
- Training & Support Groups

Critical Care, Internal Medicine & Surgery

- Critical Care, Surgery
 - Board Certified Critical Care Surgeons
- Hospitalist Service
- Intensivist Coverage

Dialysis

- Home Dialysis (Peritoneal)

- Acute Kidney Injury (AKI)
- Chronic Kidney Disease (CKD)
- Diabetic & Hypertensive Kidney Disease
- Kidney Biopsy, Failure & Stones
- Urinary Tract Infection
- Various Forms of Dialysis

Neurology (Adult)

- Adult Nerve Conduction Study
- Cerebrovascular Disease Including Stroke, Demyelinating Diseases, Multiple Sclerosis & Cognitive Disorders Including Alzheimer's Disease
- Electroencephalogram (EEG)
- Epilepsy-Seizures, Pain Disorders Including
- Migraine Headaches, Movement Disorders & Parkinson's Disease
- Pediatric EEG
- Transitions of Care (TOC) Inpatient Clinical Pharmacy specialist's team with our physician specialists that provide medication to patient beds

Neuro-Surgery

Brain

- Brain Aneurysms
- Brain Bleeds
- Brain Tumors & Cancers (Including Radiotherapy)
- Brain Vascular Malformations
- Carotid Artery Stenosis & Occlusions
- Chiari Malformations & Syringomyelia
- Epilepsy & Seizures
- Hydrocephalus
- Pituitary Gland Tumors (Including Endoscopic Surgery)
- Skull Fractures & Tumors
- Stroke
- Traumatic Brain Injury

Spine

- Back & Leg Pain
- Degenerative Diseases Of The Spine
- Disc Herniation
- Spinal Stenosis & Neurogenic Claudication
- Spine & Spinal Cord Tumors
- Spine Injuries & Fractures
- Synovial Cysts

Spinal Surgeries

- Cervical Spinal Fusion
- Decompressive Laminectomy & Foraminotomy
- Lumbar Interbody & Poster-Lateral Fusion
- Microdiscectomy
- Minimally Invasive Surgery

Other Conditions of the Nervous System

- Carpal Tunnel Syndrome

Obstetrics & Gynecology Services- Women's Health

- Anesthesia In-House 24/7
- Antepartum Testing & Maternal-Fetal Medicine Specialist
- Better Birth Outcomes (SCI)
- Breast, Cervical, & Colorectal Health Screening Assistance (HHL Program)
- Breastfeeding Support
- Center for Excellence for Minimally Invasive/Senhance Robotic Surgery

- Family Case Management (SCI)
- Gynecologists In-House Coverage 24/7
- Labor & Delivery
- Level III NICU
- Midwifery Services
- Mother-Baby Unit
- Neonatology In-House 24/7
- Newborn Nursery
- Non-Stress Test
- Gyne & Obstetrical High-Risk Level II OB Ultrasound
- WIC Program (SCI)

Orthopedics

- Sports Medicine
- Hand, Arthroscopic & Shoulder Surgeries
- Total Joint Replacements
- Ortho Trauma

Outpatient Pharmacy

- 340B Program

Outpatient Occupational Therapy

- Functional Capacity Evaluation & Work Hardening
- Physical Therapy, Including Musculoskeletal & Neurologic Therapy Experts
- Speech-Language Pathology Services, Including Dysphagia Evaluations
- Occupational Therapy & Pool Therapy

Pain Management

- Treatment of Chronic Pain

Pediatric Sub-Specialist

- Endocrinology, Ear, Nose & Throat, General & Infectious Disease, Neurology, Ophthalmology, Psychiatry & Surgery

Physical Medicine & Rehabilitation

- Electromyography (EMG)
- Inpatient Rehabilitation Services
- Multiple Specialists including: Spinal Cord Injury, Brain Injury, Amputee Management, Musculoskeletal & Neurological Rehabilitation
- Pain Medicine
- Spasticity Management
- Stroke Services

Plastic Surgery

- Botox & Fillers
- Breast reconstruction
- Elective Cosmetic Surgeries
- Liposuction

Podiatry

- Achilles Tendon
- Bunions
- Callous Removal
- Corns
- Geriatric Foot Care
- Diabetic Preventative Foot Care
- Fungus Toenails
- Geriatric Foot Care
- Hammertoe
- Ingrown Toenails
- Plantar Fasciitis
- Tendinitis

Pulmonology

- Asthma
- Bronchoscopy
- Chronic Obstructive Lung Disease
- Chronic Respiratory Failure
- CPAP/BiPAP Titration
- Home & In-Lab Sleep Testing
- Interstitial Lung Disease, Lung Cancer, & Lung Nodules
- Lung Biopsy
- Lung Cancer Screening
- Pulmonary Function Tests & Oxygen Assessments
- Sleep Disorder, Breathing & Sleep Apnea

Primary Care

- Family Medicine
- Internal Medicine

Radiology

- 2D Mammography (Screening & Diagnostic)
- 3D Mammography (Coming Soon)
- Bone Density Screening
- CT Scan (NOT CT Angiograms) & CTA
- Diagnostic X-Rays
- Elastography
- High Risk Level II OB Ultrasound
- Interventional Radiology
- MRI's, Including Breast & Prostate Scans
- Nuclear Medicine
- Obstetric & Gynecologic Ultrasound
- Radiation Oncology
- Ultrasound (General & Vascular)

Radiation Oncology

- **New TrueBeam platform version 3.0 (opening October 2022)**
- Cancer treatments for multiple disease sites
- Commission on Cancer Accredited
- HyperArc® High-Definition Radiotherapy (coming soon)
- Image-Guided Radiotherapy (IGRT)
- Intensity Modulated Radiation Therapy (IMRT)
- Oncology Social Worker
- Optune certified treatment center for glioblastoma
- Radiopharmaceuticals treatments- Iodine 131
- Stereotactic Body Radiation Therapy (SBRT) (coming soon)
- Stereotactic RadioSurgery (SRS) (coming soon)
- Three-Dimensional Conformal Radiation Therapy (3D-CRT)
- Volumetric Modulated Arc Therapy (VMAT), RapidArc Radiotherapy (coming soon)
- Weekly Tumor Board Multidisciplinary Case Discussion

Surgery

Bariatric Surgery

- Comprehensive Multidisciplinary Bariatric Program
- Laparoscopic Bariatric (Gastric Bands, Sleeve & Bypass)
- Laparoscopic Revisional Bariatric (Gastric Band to Sleeve/Bypass, Gastric Sleeve to Bypass)

Colon & Rectal Surgery

- Anorectal
- Inflammatory Bowel Disease
- Complex Rectal Cancer (Low Anterior Resection, & Abdominoperineal Resection)
- Laparoscopic Colon Cancer
- Transanal Minimally Invasive

Foregut Surgery

- Investigation & Treatment of all forms of Swallowing Disorders; Laparoscopic Achalasia (Myotomy), Hiatal Hernia, Paraesophageal Hernia & Nissen Fundoplication

General & Minimally Invasive Surgery

- Breast Oncology
- Gastrectomy for Cancer
- Hepatobiliary Surgery (Laparoscopic Cholecystectomies)
- Laparoscopic Complex Abdominal wall ventral & Incisional Hernias
- Laparoscopic Inguinal Hernias
- Oncologic
- Skin & Soft Tissue

Other Services

- Dysphagia
- Esophageal & Gastric Cancer
- Esophageal, Paraesophageal, & Hiatal Hernias
- Gastroparesis
- Reflux/GERD
- Swallowing Problems

Translation Services

Sinai Chicago Patient Transfer & Navigation Center (PTNC)

Requesting a Transfer

At Sinai Chicago Patient Transfer and Navigation Center, specially trained registered nurses are available 24 hours a day, seven days a week to coordinate clinic and acute inter-facility transfers. We serve as a single point of contact for urgent and emergent transfer requests, thereby helping to expedite the admissions process.

What to Expect

When you contact the Patient Transfer and Navigation Center, you will speak directly to a registered nurse who will initiate the transfer process.

- Direct conversation with a Sinai physician during the intake evaluation
- Timely evaluation of your transfer request
- Collection of appropriate clinical information
- Updates on patient status for both referring physician and patient

Call 773.257, BEDS (2337) to send your transfer to Sinai System and fax documents to 773.257.5205.

ProgressHealth PHO

ProgressHealth PHO offers some of our area's most affordable health care plans to the diverse communities we serve

Financial Assistance

Our mission is to improve the health of the individuals and communities we serve. We want to ensure our patients receive quality care services and offer a range of financial assistance programs for you and your family.

Need financial assistance? Our Applications are available to any patient at Sinaichicago.org.

Our Financial Counselors will assist you in completing the financial application forms, obtain the estimated cost of services, and provide an explanation as well as a copy of your hospital bill. Please call our Financial Counseling office to receive further information at **773.257.1777**.

Both uninsured patients and those with medical insurance pay may qualify for the following financial assistance programs:

- **Charity Care/Free Care Program**
Free care based on family size and income of up to 250 percent of the federal poverty guidelines and other criteria.
- **Limited Income Program**
The Limited Income Discount criteria for family income is 400 percent of the Federal Poverty Guidelines. The Limited Income Discount is 70 percent.
- **Self-Pay Discount**
A discount will automatically be given to all self-pay patients.
- **Presumptive Charity Care/Uninsured**
Offers discounts on hospital bills for uninsured patients who do not qualify for free or discounted care as well as insured patients whose services are not covered by their insurance plans.
- **Payment Plan**
Patients can arrange for time payments with a financial counselor.
